3, 5 resp. 10 Days DIVEBOX "The Oasis" include:

- 2 dives per day by car at the best sites of the Southern Red Sea (1 dive in the morning & 1 dive in the afternoon or a 2-tank- dive)
- **In addition, and free of charge as the 3rd dive of the day:** 1 unguided dives at the house reef (from 5:00 am until 8:00 pm) per dive day.

Open Water Diver Course i.a.c./SSI

The globally recognized diving certification takes three days and entails 5 chapters of theory, confined water training sessions, theory exam and 4 open water dives. Equipment and learning materials included in the course price.

- Small groups (max. 6 persons). Start as per agreement.
- In addition, a certification fee of 35,- Euro* has to be paid locally.

Advanced Adventurer Course i.a.c./SSI

Prerequisite: CMAS 1* or Open Water Diver certification

Course duration: 2 days. Included are five dives, equipment, compass, torch and learning materials.

- In addition, a certification fee of 35,- Euro* has to be paid locally.

Medical Statement:

All divers and student divers should present a medical certificate issued by a diving physician. The certificate should not be older than two years for divers until the age of 40 years and not older than 1 year for divers over 40 years of age.

If a diver cannot show this medical certificate, a medical statement must be completed and signed at our diving centre. In case of doubt, guests must obtain a medical certificate from the local physician prior to participating in any scuba diving activities.

All locally charged rates including sales tax.
